BOWL
COMPETITION

SCORE BIG & WIN!

Find a bin. Make an impact. Take the title.

What is Recycle-Bowl?

Keep America Beautiful's Recycle-Bowl is the nation's largest free competition for K-12 schools to promote recycling. Whether a school has an extensive recycling program or is just launching basic recycling collections, Recycle-Bowl is an excellent way for teachers, student green teams and facility managers to engage their school community in hands-on experiential education in a fun and friendly way.

Who's eligible?

The competition is open to all elementary, middle and high schools. Public, private and charter schools are eligible. Recycle-Bowl participants track and report how much material they collect during the four-week competition time frame.

One school in each state (and the District of Columbia) that collects the most recyclable material per capita wins a cash prize. A national champion is then chosen from the top statewide winners to receive a grand prize. Schools that host a community recycling drop-off program or bring material from home compete in a separate category for cash prizes.

Competition Time frame

- Competition Dates: Mid-October to Mid-November
- America Recycles Day: November 15
- Recycling Reports Due: Mid-December
- Winners Announced: Early February
